Probiotic Junior ID #12003BOGH

Tummy Troubles?

Many children struggle with tummy aches and gassy bloating. Whether allergies to foods, milk (lactose) sensitivities or difficulties with digesting meats and protein is getting in the way of their happiness, there is a **NATURAL** way to come to their aid.
Probiotic+ Junior can help children:

- ***Support growth and activity of beneficial intestinal bacteria****
- ***Balance intestinal flora and replenish helpful bacteria****
- ***Promote immune function****

PLUS, **Probiotic+ Junior** is formulated as an **easy to use POWDER.**
It can be sprinkled on foods like applesauce, cereal, pasta — even ice cream (since it has barely any taste), and kids feel the benefit — with smiles!*

Get your kids off to a great start every morning with... VIBE® KIDS!

Proper nutrition has been shown in clinical studies to help children develop to their highest potential regarding:

- ***Grades in school***
- ***Balanced energy***
- ***Focus and attention***
- ***Self-image***
- ***Immune function and development***

Eniva VIBE® Kids is the perfect companion for children and families who need help supporting their nutrition goals. With VIBE Kids, the whole family can feel good about filling in nutritional gaps. It's easy to place in juice or sprinkle over fruit. Kids love the great-tasting berry formula, and parents will appreciate its safe, natural and well-rounded formula:

- Science-based nutrient ratios that meet the needs of children
- Total-body combination of healthful nutrients
- No artificial sweeteners or flavors *(ex. aspartame or sucralose)*
- No artificial colors *(such as FD&C)*

Help your student achieve their goals with a healthy boost from Eniva! Put together a special CARE PACKAGE of VIBE and UltraSHOT to let them know you are thinking of them every day.

VIBE®: Provides **DAILY** nutrition to help keep students strong and healthy:
- Powerful antioxidants to fight free radicals*
