

GOAL: Help Eniva Families Stay On Eniva Products

Eniva Members are Lovin' Eniva Cash!

What is Eniva Cash? The Eniva Cash program pays you Eniva Cash that can be used to purchase ALL Eniva products and educational tools. It's "same as cash," so when the Eniva Cash is used to purchase a product that has CV (Commission Volume), commissions will be paid. – Yes!

Here's How It Works: The first \$25 of each commission check will be paid in Eniva Cash – this is "same as cash" that can be used for purchase of Eniva products or sales aids.

Extra Perks? For Members who have total commissions in their account less than \$5 (for example \$1.37) they will be "bumped-up" and receive additional cash totalling \$5.00. It's a "thank you" and an incentive to keep on the wellness path with Eniva products.

When does it get paid? *Eniva Cash is made available in your Eniva Account on the first of each month.* A statement (coupon-check) is mailed at the same time as your Eniva commissions – either the 10th or the 15th of the month. You'll receive in the mail both an Eniva commission check and your Eniva Cash statement (if applicable). When you earn large commissions, you receive the first \$25 in Eniva Cash, and the remainder is paid in a separate commission check.

How do I redeem Eniva Cash? *It's automatic!*

- Go **ONLINE** to your Eniva Shopping Site, and your Eniva Cash will be automatically applied to your order upon checkout or applied to your SmartOrder.

www.shop.enivausa.com/ (your ID#)

~ OR ~

- **CALL** Eniva Customer Support: **1-866-999-9191**

How long does it last? The Eniva Cash can be redeemed for a period of **2 calendar months**.
(Example: Eniva Cash is issued on April 1 and expires at 2 months – expires on May 31st.)

Here's something NICE to think about...

Because your Eniva Cash is **automatically applied** to your next order, when your credit card statement comes, the **actual Eniva charge will be less than normal...** it could be up to \$25 less! – It's like having money ready to go up-front that can **save you money** in credit card interest or fees!

How can I check my balance? A paper statement will be mailed to you. You can also phone the Eniva Call Center at any time for an update on your account.

What else do I need to know?

- Eniva Cash is **automatically applied** on your next purchase, whether online, called-in or applied to your SmartOrder. If the Eniva Cash check is misplaced, it's ok... the value is still automatically applied.
- An Eniva Cash deduction will appear as a line item on your order invoice.
 - The full balance of Eniva Cash will automatically be applied to your next order when the total order is **higher than** your Eniva Cash balance.
 - When the order total is **less than** your Eniva Cash balance (in the case that you may have 2-months' worth on account), only the amount of the order total will be applied. – Any remaining Eniva Cash will be available to use for a future order, or until it expires.
 - Eniva Cash can also be used to pay for tax and shipping.
- Returns / Refunds: On any product return from an invoice that Eniva Cash was used, a **product credit** will be issued, equal to the value of the Eniva Cash used and re-stocking fees per the Eniva Product Return Policy.

GOAL: Help Eniva Families Stay On Eniva Products

How do we make this all work?

Nearly all of Eniva check earners use a portion, or all, of their check for the repurchase of more Eniva products. Therefore to help with your next purchase, the first \$25.00 of each commission check is paid in **Eniva Cash** to your Eniva Account. This is "same as cash" that can be used for purchase of Eniva products or sales aids. **The best part is it's available to use right at the first of the month in your Eniva Account** (no need to wait for your commission check). Plus, it is **automatically** applied to your transaction to help make your purchase **easy!**

Dear Valued Member,

Exciting News! Eniva is "bumping-up" commission earnings through a special program called **ENIVA CASH!** If your monthly commission is less than \$5.00, you will be "bumped-up" to \$5.00 in Eniva Cash! This is "same as cash" for the purchase of any Eniva product or sales aids. For example, if you were scheduled to receive \$1.37 in your check this month, you will be receiving a "bump" in pay to \$5.00! And, ALL of it, even the added amount, adds to your Commission Volume (CV) and Sales Volume (SV) total when used... WOW!

Sincerely,
 The Eniva Corporation
