

RESVANTE™

PROSPECTING SCRIPT

YOU: Hi Dave/_____, do you have access to the internet at home?

Dave: Yeah, why?

YOU: There's something you've just got to see... write this down:

www.resvante.com

Go to that website, watch the video and click the "learn more" button—you've got to see this. Check it out and I'll call you back in twenty minutes! (or at specified time). HANG UP THE PHONE!

YOU: Dave, wasn't that amazing! And here's the best part... The company is just launching its newest resveratrol product – its called RESVANTE and just one bottle has the resveratrol of over 3,300 bottles of red wine. It's the most potent on the market. It's normally \$89.95, but you can get a bottle of the new resveratrol that Dr. Ben spoke about on the video for FREE!

Here's how it works. You place a pre-order for the product and get JUST ONE other person to place a pre-order, and the company will ship you a **FREE BOTTLE** along with your next Eniva order!

Dave, I already placed a pre-order myself — they have great pre-order discounts right now, too. I just thought you'd like to know about this right away. Do you want to "get in" on the pre-order?" PAUSE

((DO NOT TALK!))

Great! Here are the discount options.... HERE'S WHAT I DID...
